Dear Scott,

I want to thank you very much for the excellent legal counsel you have provided to MediMedia USA, Inc. over the past two years. Your advice to members of our Human Resources staff, including myself, as well as your onsite training relating to various human resource issues has been very beneficial. With over 400 employees in our Yardley headquarters, the potential of significant employee relations matters present themselves from time to time. Your counsel on matters of potential discrimination and harassment claims has helped to keep any disputes from escalating into more serious matters.

One of the important items to us when selecting outside counsel is accessibility. You have demonstrated on several occasions by your prompt response and your sincere interest in our matters at hand, your desire to provide us with top notch service for which we are very appreciative.

If I can ever provide a recommendation or reference for you and the services you provide, I would more than happy to do so.

Sincerely,

A handwritten signature in cursive script that reads "Gloria Cross".
